Doni Tondo

Michelangelo

The Doni Tondo features the Christian Holy family along with John the Baptist in the foreground and contains five ambiguous nude male figures in the background.

Alba Madonna

Raphael

The three figures are grouped to the left in the round design, but the outstretched arm of the Madonna and the billowing material of her cloak balance the image.

Madonna of the Chair

Raphael

The warmer colors seem to suggest the influence of Titian and Raphael's rival Sebastiano del Piombo.
